Experience

April 2018 – July 2019

Junior UI Designer, Genetic IIT

- Worked with design team to assist in redesigning the website having human centred design in mind.
- Assisted in user experience research, prototyping, wireframing, ideation process.
- Followed by Hi-fi mock-ups and prototypes to establish user interface design and architecture for the website.
- Supported the engineering team with design deliverables.

September 2018 – December 2018

Teaching Assistant, American International University Bangladesh

- Participated in and conducted lab classes as assistance for web technology classes (HTML, CSS).
- Assisted teachers with classroom management and document coordination to maintain a positive learning environment.
- Gathered organizational skills, teamwork spirit, and management skills from this experience.

January 2015 – Present

Photographer, Rabby Ananto Photography

- I have 7 years of photography experience. I have won awards by participating in various photography exhibitions.
- My specialties are landscape photography and street life. I was an active member of my university photography club (AIUBPC).

Education

October 2019 – Present

Master of Science in Information Engineering And Computer Science, Hochschule Rhein-Waal, Kamp-lintfort, Germany.

- Completed all the courses with a 1.7 German grade. Thesis ongoing.

April 2015 – December 2018

Bachelor of Science in Software Engineering, American International University-Bangladesh, Dhaka, Bangladesh.

- Graduated with a 3.7 GPA equivalent to a 1.7 GPA in German grade.

Certification

February 2022 – July 2022

Google UX Design Certificate, Coursera.

- Completed rigorous training designed for entry-level job readiness. 15 modules included topics like UX research fundamentals, inclusive design, low-fidelity, and high-fidelity prototypes, and tools like Figma and Adobe XD.
- Completed hands-on projects and developed a portfolio including 3 projects to receive the certificate.
