## EXPERIENCE

### Genetic IIT, Bangladesh — Junior UI Designer

April 2018 - July 2019

- Managed a process re-engineering project to improve and consolidate end-to-end service processes; restructured communication flow among 10 departments and cut down paperwork by 75%.
- Worked with the design team to assist in redesigning the website with a human-centered design in mind, increasing the website's efficiency by 45%.
- Involved in user experience research, prototyping, wireframing, and ideation. Followed by Hi-fi mock-ups and prototypes to establish user interface design and architecture for the website.
- Also worked with the developer team on HTML, and CSS technologies.

### American International University Bangladesh, Bangladesh — Teaching Assistant

September 2018 - December 2018

- Participated in and conducted lab classes as an assistant for web technology classes (HTML, CSS).
- Assisted teachers with classroom management and document coordination to maintain a positive learning environment.
- Gathered organizational skills, teamwork spirit, and management skills from this experience.

### Rabby Ananto Photography, Bangladesh — Photographer

January 2015- December 2019

- I have 7 years of photography experience. I have won awards by participating in various photography exhibitions.
- My specialties are landscape photography and street life. I was an active member of my university photography club (AIUBPC) also.
